a textbook*

**St. Joe's....  
A Place Where Children Grow**

Children are given to us, on loan, for a very short period of time. They come to us like packets of seeds with no picture on the cover and no guarantees. We do not know what they will look like, act like, or have the potential to become. Our job, like God our gardener, is to meet their needs: to give proper nourishment, love, attention, care, and pray for their success.
