Dear Business Community Member:

Do you value a strong education? Are you committed to taking steps to provide support to our youth? We believe a child's growth is nurtured with a strong education, sense of community, and is supported with a values based foundation. At St. Joseph's Catholic School, we take great pride in serving our community and nurturing students to achieve their highest potential.

Would you like to help? As a business community member you can participate by actively supporting our youth. Checks can be made payable to: St. Joseph's Catholic School. Find the option(s) that interests you most:

- Financial donation of any amount to our Angel Fund, providing a child with an opportunity to receive a Catholic education that their family would otherwise be unable to afford.
- Provide a gift certificate in any amount to assist in inviting potential families to our school. We use gift certificates as drawing prizes during school events.
- Financial donation of any amount to our Endowment Fund to support the overall operating costs in maintaining and growing our school.
- Donation of your choice. Can you donate an item or service that you feel we would benefit from? Currently we are in need of building repairs. Maybe you can help!

All donations and or gifts can be mailed or delivered to:

Your decision to make a contribution will help our youth gain the tools they need to succeed – remember – our youth are *future workers, leaders, and community members*. Thank you in advance for your consideration!
